

## **Sports Premium funding development plan**

### **PE vision 2017-18**

**We want our children to be skilled, motivated and active for life.**

Lakeside Nursery and Primary School's physical education culture promotes a long term healthy lifestyle that is enjoyable and fulfilling. Our children are inspired to engage in physical activity, raise their attainment, extend their potential and develop a lifelong active lifestyle. There is a strong focus on beating 'Personal Bests' as well as taking part in healthy competition. Children are fully aware of healthy lifestyles and actively take steps to achieve this.

By placing PE and sport at the heart of a broad and balanced curriculum, we aim to raise attendance and narrow the achievement gap. Our PE and sport aspires to build self-esteem, teamwork and leadership skills enabling each child to be the best they can be by:

- Improving health and well-being
- Providing high quality opportunities and outcomes
- Encouraging community involvement
- Promoting lifelong learning, active participation and competition
- Raising achievement and supporting excellence
- Using emotional and thinking skills in order to achieve in PE and sport (BLP)

### **Curriculum**

The PE curriculum at Lakeside encompasses a wide range of traditional and more modern sports and leisure pursuits. Progression within each sport is mapped throughout the school, set out in the long term plans. Across the school, 'Real PE' is taught by all teachers. This strategy allows for the inclusion of every child and is highly differentiated in every lesson. In KS1, it is taught through journeys around the globe focussing on skill acquisition and in KS2 it relies on skills to be taught through game situations. In upper KS2, we employ specialist PE coaches to deliver bespoke teaching of traditional sports. Children are aiming to beat personal bests through 'Run the World', where children run, jog or walk for a mile almost daily.

Using the Youth Sport Trust document 'Becoming Outstanding' and utilising the support of Active Surrey, the school remains focused on developing specific areas which include:

- Increasing teacher confidence in specialist PE provision through planning support and (where needed) bespoke CPD
- To develop pupils' roles as leaders within sport through Sports Crew (in Year 5/6).
- To ensure the PE Curriculum evolves with the staff skills and expertise; is varied and delivered to a high standard, focusing on skills and rigorous activity.

### **Report on Sports Premium Funding September 2017 – August 2018**

<b>Total academy funding</b>	<b>£19,320</b>
------------------------------	----------------

<u>Activity/resources</u>	<u>Cost</u>	<u>Impact</u>
Sports Crew training	£15	10 x Year 5 children are trained Play Makers, leading play each lunch time. This has developed leadership skills, especially in the children who have taken on Sports Captain roles.
Complete Coaching offering: Football, netball, quad kids etc	£7,000 (estimate)	Opportunity for all KS2 children to take part in at least 1 free after school club promoting sport and an active lifestyle. The clubs vary over the year to offer a variety of sports.
Football Goals / Netball posts	£125	Providing good quality equipment for children to use in and out of lesson times.
REAL PE Training for new PE Co-ordinator Surrey Best Practice Forum (PE Co-ordinator)	£500 £80	New PE Co-ordinator is familiar with the current Real PE scheme of work in school and can now support staff with the delivery. Surrey Best Practice Forum allowed the PE Co-ordinator to speak to other schools and see strategies to implement into Lakeside.
Surrey Heath Sports Association	£120	Being a member of SHSA ensures that the school is entered into local competitions and festivals. It also provides training for staff and opportunities for the PE lead to network with other schools.
ESAA & swimming badges	£420 (estimate)	
Gym Equipment (top up)	£700	Additional gym resources
Installation of new playground fitness equipment	£1,200	New cross trainer etc in KS2 playground
Additional sports equipment	£700	As a result of PE and Gym inspections, we needed to update resources which will allow for more inter and intra competition. Other resources and equipment also need to be updated and replaced as necessary.
Small sports equipment	£200	Lakeside is committed to provide different sports as part of extra-curricular activities.
Participation in a wide range of sporting events	£800	Lakeside children have the opportunity to participate in a wide range of inter-school events and tournaments. Costs are sometimes incurred for supply cover or additional staff costs.
Minibus to enable participation in a wide range of sporting events	£3,500 plus £600 (expenses estimated)	Purchase of a new minibus, MOT etc to facilitate participation in the full range of sporting opportunities.
<b>Total known expenditure so far:</b>	£15,360 to date	<i>£3,960 planned expenditure on fitness track.</i>
