

Sports Premium Vision 2018 - 2019

At Lakeside Nursery and Primary School, we support the Department for Education's vision for use of the Primary PE and Sport Premium. We want all of our children to be skilled, motivated and active for life.

All pupils leaving Lakeside should be physically literate, with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

We aim to use the additional funding to

- develop and supplement the PE and Sports that we already offer at Lakeside.
- build capacity and capability so that improvements can be made which will benefit all pupils now and in the future. This includes building teacher confidence through support and CPD.
- Promote the children's role as Sports Leaders and play partners.
- Encourage inactive children to engage in a more active lifestyle, including through targeted additional provision and opportunities

Our PE curriculum promotes a healthy lifestyle that is enjoyable and fulfilling. Our children are inspired to engage in physical activity, raise their attainment and achieve their real potential. We aim for PE and Sport to build self-esteem, promote teamwork and enable children to develop leadership skills. We aspire for our children to be the best that they can be by:

- Improving health and well-being for all children
- Providing high quality opportunities and outcomes
- Encouraging community involvement
- Promoting lifelong learning and active participation in physical activity
- Raising achievement and promoting excellence

Our curriculum encompasses a wide range of traditional and other sports. A series of lessons will usually enable children to build on and develop their skills and may also lead to a final outcome, such as a finished dance or gymnastics routine.

We are active participants in the Surrey Heath Primary Sports Association. Details of resources and fixtures can be found at www.shpssa.com
