

Lakeside News

'At Lakeside, we aspire to be caring, confident and capable learners who are encouraged to succeed in today's world.'

Dear parents/ carers,

Happy New Year!

2020 has already started off extremely busy here at Lakeside. The children have settled back into their routines very well and I have enjoyed hearing their tales from the holidays.

Year 2 spent the day last Friday exploring what life in the Medieval Times was like. They came to school dressed in some wonderful costumes to really get a flavor of the time and then experienced a great workshop for the full day.

Year 3 had a visit to Pizza Express to find out more about food, where it comes from and how it is made. They even got to make their own pizza and bring it back to school with them which lots of them have told me was the best part of the day!

Some of our mathematicians in Year 5 and Year 6 have been out for some workshops this week. The Year 6s went to Sainsbury's at Watchmoor Park for the event which was held there and the Year 5s went along to Tomlinscote. Both events were great fun and really helped to challenge some of the children's thinking.

Reception to Year 2 took part in an Around the World workshop on Thursday which also offered some fun and enriching opportunities for new learning.

As well as that, we welcomed the parents from Emperors class for the first of our 'Eat with your Child' lunches. It was lovely to see so many of you come along to this; the children really loved having you here as well. On Thursday it will be Rockhopper's turn and we look forward to seeing many of you here then.

Reports will be coming home to you today. Please see your child's class teacher if you have any questions about this.

See you soon,

Miss Armstrong and the Lakeside team

EVENTS IN RED ARE NEW OR CHANGED

Attendance Champions

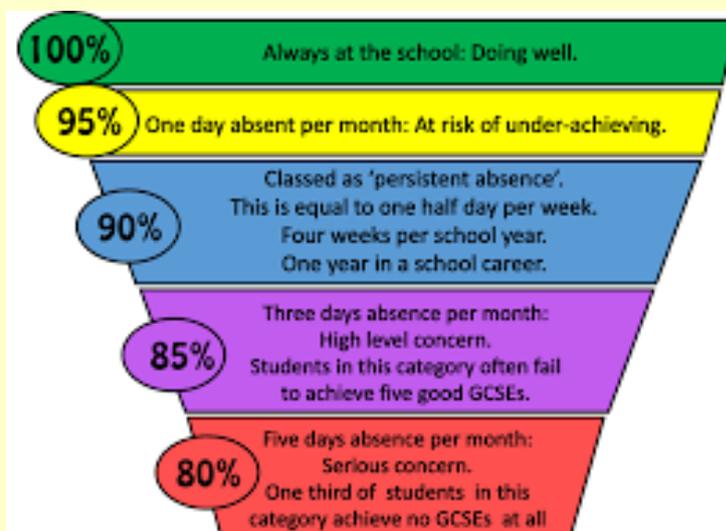

Well done to the following classes who have the highest attendance percentages for the last fortnight:

Owls– 97.3%

Kestrels – 96.9%

Hawks – 96.8%

Please remember the importance of ensuring the children are at school. Missing just one half day a week can seriously impact on your child's future progress and outcomes. As the table below shows, if this applies to your child, it adds up to a whole year. Please work with us, to promote the best possible future chances for your child.
