

Lakeside News

'At Lakeside, we aspire to be caring, confident and capable learners who are encouraged to succeed in today's world.'

Dear parents/ carers,

Where has this term disappeared to? There is only one more week left until we have our half term break.

Thank you to all those families who have been ensuring the children are in school regularly. There has been an increase in the number of families who have been making dental / medical appointments and taking time off for holidays during school time. The primary years are fundamental to a child's learning and are the building blocks for their future education. Please try to avoid taking your child out of school in the future where possible.

I have noticed recently that some children are being dropped off at school very early in the morning and are left unsupervised, or they are being collected late from school at the end of the day. I would like to remind you that we have adult supervision on the playground from 8.40am. Prior to this time, children should not be left unattended. If they are seen on site or in the vicinity of the school, they will be placed into our Early Bird Breakfast club and you will be charged. School finishes at 3.10pm for EYFS, 3.15pm for KS1 and 3.20pm for KS2. Clubs finish at 4.20pm. Children need to be collected promptly at the appropriate time. If you are running late due to unforeseen circumstances, please telephone the office to let them know. I appreciate your help with this matter.

As you will be aware, the safety and wellbeing of all of the children at Lakeside is of paramount importance. We are currently reviewing procedures for children leaving the site at home time. I will be in touch very soon with the updates for this to let you know what these changes will be.

As of today, you may have noticed that the scaffolding is now finally down! We are very pleased because the roof project is finished after all these months. Thank you to everyone for putting up with the scaffold. The new building between Reception and Nursery is also very nearly finished and it is looking great. I am excited for all of the children to be able to get inside and see what it looks like. Thank you to everyone who has been very patient while all of these works have been going on. At least the end is now in sight.

It has been lovely to see so many of you at the recent 'Eat with your Child' lunches. I know the children absolutely love having you come in to school and they can show you what they do.

Scooter, Bikes and Trikes...

Please remember that these are not permitted to be ridden on the school grounds during the morning drop off or the after school collection. Thank you for helping out with this.

Parking in the School Car Park

As I am sure you are aware, spaces in the car park at the front of the school are very limited. Unless you have special permission from myself or from the office, I would request that you please find alternate parking on the local roads. This is especially true first thing in the morning when staff are arriving as spaces are being taken up by parents dropping their children off at Breakfast Club meaning that staff are unable to park. Thank you for your help in this matter.

Attendance Champions

Well done to the following classes who have the highest attendance percentages for the last fortnight:

Owls– 97.3%
Kestrels – 96.9%
Hawks – 96.8%

Please remember the importance of ensuring the children are at school. Missing just one half day a week can seriously impact on your child's future progress and outcomes. As the table below shows, if this applies to your child, it adds up to a whole year. Please work with us, to promote the best possible future chances for your child.
