

Geography

- ♦ We will be making simple maps of our school .

Expressive Arts

- We are using pencils to draw self portraits with a focus on shapes and lines!

Phonics/Spellings

- We are recapping Phase 2 and 3 Phonics!
- We are learning to read some tricky words too.

Maths

- We will be looking at place value concepts such as counting, 1 more and less. We will be using lots of resources to help us!

Year 1 Autumn 1 This is me!

Computing

- We are learning to use iPads to support our re-search at the enquiry area!

English

- We are working on using our letter sounds and spaces between words when we write.

PSHE

- We are working on the importance of good handwashing and respiratory hygiene!
- **Identifying the 'Zones of Regulation' within ourselves.**

STEM

- We are learning to name the different parts of the body.

PE

- We are developing our gross motor skills and our fine motor skills too

Outdoor

Maths

- Sorting objects into groups and count them e.g. fruits, colours toy cars etc.
- Counting forwards and backwards to 10
- Saying one more / less when seeing a number e.g. on a bus, car registration number, door number etc.
- Compare and order objects and numbers by using words equal, more, less, greater and fewer. This can be done with food items at dinner time etc.
- Make a numberline 0-10. You could use pen and paper, chalks outside etc.

Key dates

•

English

We recommend reading:

Five Little Fiends

The Same but Different Too

Aliki.

The Hundred Decker Bus.

There's a House in My Mummy.

The Great Big Book of Families.

Key Vocabulary

- Accurate
- Compare
- To help increase your child's vocabulary introduce alternative words for basic vocabulary they may use e.g. good = amazing or fantastic.
- Body parts e.g. thigh, elbow, stomach etc.
- Senses e.g. sight, smell, etc.
