

History.

We are learning about historical women. We will be looking at Edith Cavell and Mary Seacole

RE

We are learning about why Jesus is important to Christians, and the Christmas story.

Art / DT

We will be looking at creating movable parts.

Phonics

We will starting Phase 5ab phonics. We will be learning new graphemes (letters) and split digraphs. We are also learning to read and write some new tricky words!

Maths

We are learning to use methods to add and subtract.

We are exploring place value within 20.

Year 1

Autumn 2

Back in time!

Science

We shall be testing materials and looking at their properties.

English

We are creating fact files and timelines about our Heroines.

PSHE

In Jigsaw we are learning to celebrate how being different is great!

Computing.

We are learning to use a desktop computer to paint, type and save!

PE

We will have Sports Crew help us with team games! We will focus on ball skills too.
