

History

We will be exploring the astronauts Neil Armstrong and Tim Peake. We will be exploring the part in historical events and creating timelines.

Science

We will be planting seeds and carrying out experiments regarding which conditions seeds need to grow!

Phonics

We will be continuing with our Phase 5c. We will be learning how to use 'Best Bet' trains to help us learn which graphemes to use for spellings. We will also explore the different spellings for word endings.

Maths

We will explore capacity and volume and then move onto multiplication and division. This will see us using our knowledge of counting in 2s, 5s and 10s. We will also explore doubling and making equal groups.

Year 1 Summer 2

5 4 3 2 1 BLAST OFF!

RE

This half term we look at our world and the importance of looking after it! We will also explore the Jewish festival Hanukah!

English

We will explore non-fiction texts about Neil Armstrong and Tim Peake's Voyage into space and create fact files. We will become journalists and write a report!

PSHE

This half term will see us complete our 'Relationships' theme. We will be learning about our relationships with friends. We will also look at people who can help us.

Computing

Our theme is 'Creating Digital media' This will see us explore the paint programme in great depth!

PE

We will continue to have sessions with Mr Brewster on Tuesday afternoons. On Thursday we will be doing some athletics—both field and track activities!
