

English

- We are looking at the books 'Black Dog', by Levi Pinfold, and 'Charlotte's Web' by E.B. White.
- We will be learning about different styles of writing, including instruction text.

RE

- We will be learning about the Christian faith and what they believe about how Jesus changed lives through performing miracles.

Expressive Arts

- Animal collage using a range of techniques and styles.

SPAG/Spellings

- Spell prefixes and suffixes.
- Spell homophones correctly.
- Revisiting nouns, verbs, adjectives and adverbs.
- Continue to practise using a dictionary.
- Learning to spell words which are often misspelt.
- Proof reading and editing pupils' work writing.

Maths

- Our key topic in maths for this half term is fractions.
- Children will understand how to recognise equivalent fractions.
- We will practise ordering fractions of different sizes.
- Finally we will be able to represent numbers and objects as fractions.

Year 3 Spring 2 Healthy Living

PE

- P.E. with Mr Brewster covering a range of sports skills.

PSHE

- Talking through our worries and concerns during this difficult time.

Science and Topic

- For this half term we are investigating how to live healthy lifestyles!
- We will be learning about the importance of eating the right amounts of food from each of the 5 food groups.
- Children will also learn about the human body, looking at the skeleton and muscles and their functions
- Towards the end of the term, we will also put what we have learnt in practise by cooking healthy food!

Outdoor Learning

Maths

- This half term in maths we will be learning about fractions.
- We will also continue with our weekly skills checks to recap all of the learning we have covered so far.

Key Dates

- Children to return to school on the Monday 8th March 2021.
- Pupils will break up from school for Easter Holidays on Friday 2nd April 2021.

English

- Reading 'Black Dog', and 'Charlotte's Web'.
- Study the choice of vocabulary and grammar that the author uses to make pupils' aware of how they can make their writing more exciting.
- Reading will be based on our class book. Skills will include retrieving information, inference, understanding new vocabulary, prediction and summarising.
- An introduction to the key features of instructional text and focusing on the language required, as well as building on our knowledge of previous writing styles.

Key Vocabulary

Nutrition, healthy, diet, food groups, muscles, bones, skeleton, carbohydrates, dairy, protein, carnivore, herbivore, omnivore.

During the course of English lessons the children will be exposed to a wide range of new vocabulary. Words will be introduced and discussed prior to reading each chapter.
