

Humanities

- History—World War 1 this half term we will be studying WW1. The children will learn about the causes and impact that the war had on different people.

RE

- **Birth of Jesus** - we will read and compare different Gospels' versions of events with a particular focus on prophesy.

Design

and Technology

We will be learning about the design process while creating shoe box trenches in line with our WW1 topic

Spellings

- Prefixes - dis, over, un and im
- /f/ sound spelt ph
- Origins of words
- Unstressed vowels

Maths

- We will be learning to deepen our understanding of fractions and begin to solve calculations using fractions.

Year 6 Autumn 2 World War 1

SATS

- We are beginning our revision for the SATS in May. This consists of maths, spelling, punctuation and grammar.

English

- **Play scripts**
- Characterisation
- Persuasive writing
- Poetry

PSHE

- **Celebrate difference** - We will learning that everyone is different and learning to be inclusive of others by using kind words and learning to solve problems.

SCIENCE

- We are learning about light— how it travels and how we see things.

PE

- **Netball-**
We will be learning netball skills and be able to utilise these skills to play netball matches

Multiply the numerators

$$\frac{2}{5} \times \frac{3}{4} = \frac{6}{20}$$

Multiply the denominators

$$\frac{2}{5} \times \frac{3}{4} = \frac{6}{20}$$

Reduce the fraction if necessary

$$\frac{6}{20} = \frac{3}{10}$$

$$\frac{1}{4} - \frac{1}{5}$$

$$= \frac{5}{20} - \frac{4}{20}$$

$$= \frac{5-4}{20} = \frac{1}{20}$$

Maths

$$\frac{1}{2} + \frac{1}{3} = ?$$

$$\frac{1}{2} \times \frac{3}{3} = \frac{3}{6} \quad \frac{1}{3} \times \frac{2}{2} = \frac{2}{6}$$

$$\frac{3}{6} + \frac{2}{6} = \frac{5}{6}$$

Invert the fraction that you are dividing by

$$\frac{4}{5} \div \frac{2}{3} = \frac{4}{5} \times \frac{3}{2}$$

Multiply the numerators and denominators

$$\frac{4}{5} \times \frac{3}{2} = \frac{12}{10}$$

Simplify the fraction if necessary

$$\frac{12}{10} = 1 \frac{1}{5}$$

$$\frac{4}{8} \times 2 = 8$$

$$\frac{8}{8} \times 2 = 16$$

$$\frac{4}{8} = \frac{8}{16}$$

Key dates

- **Friday 18th December**
- End of Term

English

- Key Texts - Range of WW1 books including non-fiction, narrative and poetry
- Persuasive writing— We will be learning how propaganda was used in WW1 and incorporating this into our own work as we write our own persuasive speeches.
- Poetry— We will be looking at a range of WW1 poetry and unpicking the meaning of poems. We will also be writing our own poems based on the war.

Key Vocabulary

- | | |
|------------------|----------------|
| • Participate | • Displacement |
| • Resource | • Arbitrary |
| • Conduct | • Widespread |
| • Sufficient | • Contrary |
| • Debate | • Confined |
| • Constraints | • Controversy |
| • Resolution | • Ongoing |
| • Discrimination | • Trigger |
| • Nevertheless | • Mutual |
